

Recruitment Guide for Management Staff of PRCP&WACP 2025

Dear young psychiatrists all over the world,

A joint meeting of the Pacific Rim College of Psychiatrists (PRCP) and the World Association of Cultural Psychiatry (WACP) will be held in Tokyo in the fall of 2025. The PRCP aims to foster greater national development of mental health services and to support the improvement of education, research and clinical competence in psychiatry through greater professional collaboration in the Asia-Pacific Region. The WACP aims to study and disseminate information on the influence of culture on psychological well-being, emotional stress, mental illness, and mental health care around the world.

We, Japan Young Psychiatrists Organization (JYPO), will organize a project by young psychiatrists for young psychiatrists in the PRCP&WACP 2025. We will discuss the details in the future, but so far we have some ideas such as hosting a few symposiums, having a career development workshop for young psychiatrists, and a meet the experts.

We are looking for several young psychiatrists to help us with the project planning and management. If you would like to help us, please check the detailed information and submit it to us. (<https://forms.gle/FsRWEA7GRuhocFcQ9>) The deadline is June 30th, 2024 (UTC +9).

If you have any questions, feel free to ask me (hap19911101@gmail.com).
